MOTORTREND RECOMMENDED BEST BUY

Remanufactured or used replacement parts may be used to provide services. The Issuing Provider in Florida is National Auto Care of the South under license number 19255.

This information is intended for marketing purposes only and is a summary of the benefits offered. Not all plans are available in all areas and coverage may vary by state. Ask your representative for the actual contract for complete terms, conditions, exclusions and state-specific language. Some damage may not be capable of being repaired using the method(s) set forth herein. Such determination shall be made within the sole discretion of the repair technician. Purchase of this coverage is optional and is not required to qualify for financing, purchase, lease or to register a motor vehicle. The Issuing Provider in Texas is Warranty Support Services, LLC. The Issuing Provider is subject to change. The product being offered is a service contract and is separate and distinct from any product or service warranty which may be provided by the manufacturer, importer, or seller, and does not extend the term of any original product or service warranty that the manufacturer, importer, or seller may have provided

vehicle service contracts

smart driver alert

- Original warranties might not keep pace with the needs of high-mileage drivers
- Repair frequency tends to increase with vehicle age
- Modern vehicles' advanced technology can lead to more expensive repairs

average repair costs

Add an additional $280 to each occurrence for estimated towing and substitute transportation expenses that may be incurred.

Engine	$9,791 - $11,366
Transmission	$7,496 - $9,292
Hybrid Generator	$2,520 - $5,507
Cylinder Head	$5,141 - $6,650
Navigation System	$2,520 - $2,781
Timing Belt & Chain	$2,657 - $3,075
Air Conditioner Compressor	$2,408 - $2,533
Electronic Control Module	$1,283 - $1,369
Radiator	$1,452 - $1,543
Alternator	$1,098 - $1,391

Parts pricing listed in illustration is based on average of actual repairs at a retail rate for parts and labor. Actual repair cost may vary by repair, facility, vehicle, and location.

vehicle service contracts
